This new initiative responds to the growing demand for unique and unforgettable travel experiences.

Now boasting a growing collection of over 150 hotels, resorts, and distinct experiences, Curator's reimagined website empowers travelers to dream, explore, find inspiration, and reserve experiences that have been uniquely curated for them. It fuels the desire to travel like never before.

"We believe that travel is an art form and we are the curators," said Jennifer Barnwell, President of Curator Hotel & Resort Collection. "Our curated experiences are the key to unlocking the hidden gems of each destination and creating memories that will last a lifetime."

The new website also features a more user-friendly and visually appealing, refreshed design. Travelers can easily search for hotels and experiences by location or interest. This dynamic platform empowers travelers to explore and reserve extraordinary adventures seamlessly and allows them to draw inspiration from Curator's distinct collection of hotels and resorts throughout the U.S.
