### Curator Hotel & Resort Collection Members Shine in Travel + Leisure's World's Best Awards

**Bethesda, Maryland (July 18, 2024)** – *Travel + Leisure* has unveiled its [World's Best Awards for 2024](#) including 17 member properties from [Curator Hotel & Resort Collection](#). These independent hotels and resorts made the list of winners across 11 categories with Little Palm Island Resort and Spa in Florida, The Rally Hotel in Denver, and Hotel Zephyr in San Francisco selected as the number one choice by voters in their respective categories.

"Independent hotels continue to set the gold standard for guest experiences and inspiring travelers," said Jennifer Barnwell, President of Curator Hotel & Resort Collection. "These awards reflect our members' dedication to creating travel experiences that are unique, personalized, and deeply immersive. From locally inspired decor to exceptional, bespoke services, our member hotels and resorts craft journeys that resonate with guests long after check-out. It's no wonder guests find something truly special and worth voting for in these remarkable stays. We are thrilled to celebrate their well-deserved recognition."

Each year, *Travel + Leisure* invites readers to participate in their World's Best Awards survey, seeking the top travel experiences worldwide, including hotels, resorts, cities, islands, cruise ships, spas, airlines, and more. Hotels are categorized as resort hotels, city hotels, inns, or safari lodges based on location and amenities. They are then evaluated on criteria such as rooms and facilities, location, service, dining, and value.
